

PROTOCOL FOR INDIVIDUAL SENSORY CONTROL

Sugherificio Peppino Molinas & Figli S.p.A. certifies that every single cork stopper **SELEZIONE MOLINAS** belonging to the order _____ has been sensory checked by at least 3 skilled technicians. From this batch, all the cork stoppers affected by any kind of sensory deviation that could be related to the cork, included the presence of 2,4,6 Trichloroanisole (TCA) beyond the threshold of human perception, have been rejected.

Sugherificio Molinas guarantees the refund of every single bottle if tainted by a cork stopper belonging to this kind of selection.
